**WELS Area Elementary Schools Tuition Assistance Request Form**

The church budget will include funds to help with tuition, as needed, for each member student enrolling in any area WELS elementary school grades K-8th. Families will complete a form in March of each year indicating whether they require this payment from the church and what amount they need (up to a maximum of \$800 per student or the cost of tuition, whichever is less). If families indicate that they do not require any assistance from church in making their tuition payment, the budgeted money will be used at the discretion of the Board to further other missions of our church.

WELS Area Elementary Schools include:  
First Lutheran School - La Crosse, WI  
Immanuel Lutheran School - La Crosse, WI  
Mt. Calvary-Grace School - La Crosse, WI  
St. Paul's Lutheran School - Onalaska, WI  
St. John's Lutheran School - Nodine, MN

**Please return this form to the church office by March 31st.**
